

October 1, 2019

Robert Mahlman  
Director of Certification Programs  
National Commission for Certification of Crane Operators  
2750 Prosperity Avenue, Suite 505, Fairfax, VA 22031, United States

Dear Mr. Mahlman:

The Personnel Credentialing Accreditation Committee (PCAC) convened and reviewed the assessors' report from the National Commission for Certification of Crane Operators (NCCCO)'s 2019 year 2 assessment. PCAC voted to accept the assessors' recommendation for continued accreditation under the ISO/IEC 17024:2012 standard for the following scopes:

- Mobile Crane Operator
- Tower Crane Operator
- Overhead Crane Operator
- Articulating Crane Operator
- Service Truck Crane Operator
- Digger Derrick Operator
- Signalperson
- Rigger Level I
- Rigger Level II
- Crane Inspector
- Lift Director

On behalf of the ANSI National Accreditation Board, I would like to congratulate NCCCO for demonstrating compliance with the standard. We look forward to a continued partnership with the National Commission for Certification of Crane Operators.

If you have any questions about NCCCO's accreditation, please do not hesitate to contact us.

Sincerely,

*Evelyn Nash*

Program Coordinator, Personnel Credentialing Accreditation Programs  
ANSI National Accreditation Board
